I was born and raised in Spokane, graduating from Washington State University and *magna cum laude* from Gonzaga School of Law. My wife, Michelle Ressa Weber, is also from Spokane and we have two boys.

I successfully prosecuted many complex criminal and civil cases working both as a county prosecutor and a leader in the Washington Attorney General's office. I prosecuted *complex murder cases, sexually violent predators, and recaptured millions of taxpayer dollars* from prosecutions as a leader of a special Medicaid fraud unit. I received three special commendations from the Attorney General for my outstanding work. As an Assistant Attorney General, I prosecuted in nearly all 39 counties in Washington. My judicial experience includes being a Judge Pro Tem in Grant County Superior and Pierce County District Courts and I have been accepted as a Judge Pro Tem in Spokane County District Court.

I believe a fair and consistent justice system is vital to our nation and our local community and so are the judges we elect to administer that system. I possess the legal knowledge, experience and skills to competently decide complicated and emotional issues and will treat all cases in the courtroom fairly and consistently.

I am endorsed by several elected Eastern Washington Prosecutors, including Gary Reisen, Chelan County, Karl Sloan, Okanogan County and Tim O'Neill, Klickitat County, as well as other attorneys, law enforcement officers and citizens' state wide.

I seek this position because I want to continue serving the public. I can best serve in the capacity of Judge applying my knowledge of the law, experience in the court room, and sense of protecting the public from the bench.

I promise to work hard and earn your respect as a servant of the rule of law in our community. I promise to earn and keep your support and treat every case with care and respect. I would be honored to serve as a Judge on the Spokane County Superior Court.
